

Major Landcare EXPOSITION

Fathers' Day

**Sunday
September 7
Melbourne**

Landcare Is For Everyone

EXPO: 10:30 am to 4:00 pm, Birrarung Marr. Large 'all-weather' marquees, so you will be able to talk to exhibitors under cover

BRING: Umbrella, sensible shoes and a picnic lunch and please send this notice on to all your friends

EXPO CONTENT: Come and visit the following exhibitors:

- Talk directly to each other
- Talk directly to farmers
- What you can do to live with Climate Change
- Learn about water conservation and better use
- Peak Oil and what it means to you personally
- How to build and maintain community gardens
- How to measure your personal footprint
- Learn about the role and functions of Landcare
- Learn how to start a suburban Landcare group
- Learn about the importance of organic foods
- Learn about GM foods and who benefits
- Environmental and \$\$ costs of imported foods
- Role of the Department Of Sustainability
- Role of the Catchment Management Authority
- Role of the Victorian Farmers' Federation
- Learn about alternate energy options
- Learn about Government plans for water and power
- Learn why buying locally is critical
- Learn where the retail food dollar actually goes
- Talk to 'carbon neutral' schools and copy them
- AND MORE...AND MORE...AND MORE
WE NEED YOU THERE! LETS MAKE IT BIG

**WE WILL KEEP YOU INFORMED IF AND WHEN THESE ARRANGEMENTS CHANGE
Please...make the effort... come and have fun...come and learn**
