

Dear Yarra Growers,

It's almost neighbourhood orchard produce swapmeet time again!

When: next Saturday 2nd August, 10am - 12noon

Where: Smith Reserve (parkland next to Fitzroy Pool - Alexander Pde)

So bring along your extra fruit/veg/herbs/seedlings/cuttings/recipes/ideas etc - and if you haven't got much in the garden, come along anyway to meet the neighbours and talk food growing! Tell your neighbours!

At around 11am we'll be exploring how to 'possum proof' our vegie gardens - or at least encourage them to leave some produce for the gardener! If you've got some good tips or tried and true techniques we'd all love to hear about them!
