

Clifton Hill Organic Fruit and Vegie Co-operative

Do you like the idea of?

- ◇ Wholesale priced organic produce
- ◇ Freshly harvested local food
- ◇ Getting together with friends and neighbors
- ◇ Sharing the load and hassle of shopping by working as one

Why not be part of a Food Co-op?

I am a resident of Clifton Hill, a mum and fully aware of the importance of healthy eating and the goodness of organic produce and looking for like-minded members.

By ordering collectively you can access Melbourne's best local organic produce at reduced cost to you and the environment.

It is also a great way to build friendship, knowledge and a great way to strengthen the community you live in.
